SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Summer Faculty Fellowship Program (SFFP and the USAF/NRC Resident Research Associateships Program on-line application and associated acceptance forms; OMB Control Number 0701-0155.

Needs and Uses: The Air Force Office of Scientific Research (AFOSR) manages the entire basic research investment for the U.S. Air Force. As part of the Air Force Research Laboratory (AFRL), AFOSR's technical experts support and fund research programs within the AFRL and other Air Force research activities. Applications for fellowships and associateships at AFRL research sites and the research activities at the U.S. Air Force Academy, and Air Force Institute of Technology (AFIT) and the associated award forms provide information used to identify some of the nation's most talented scientific personnel for award of fellowships and associateships at Air Force research activities. Summer fellowships provide research opportunities for 8–14 weeks at an Air Force research site. Research Associates generally spend 1 to 3 years at an Air Force research site. SFFP and NRC/RRA provide postdoctoral and senior scientists and engineers of unusual promise and ability, opportunities for conducting research on problems that are defense requirements. Application information will be used for evaluation and selection of scientists and engineers to be awarded fellowships and associateships. Failure to respond renders the applicant ineligible for a fellowship.
